ABOUT US

More than a destination

Nestled in the heart of the mountains, facing the iconic Presanella Glacier at 1,450 meters above sea level, Chalet al Foss is the ultimate destination in the Italian Alps.

The hotel is personally managed by Alberto and Carlotta, who, after three generations of family tradition, have crafted the first Alpine concept designed entirely for the well-being and enjoyment of couples. They have transformed the property into a luxury adults-only resort, offering unique services tailored to young couples and romantic escapes.

From romantic setups and exclusive proposals to unforgettable experiences, every detail is curated to create lasting memories. Guests can indulge in exceptional breakfast experiences, from dining with alpacas to enjoying a heated breakfast in the snow, or the latest novelty—the Treehouse breakfast, delivered directly to your window via a private mini cable car.

Chalet al Foss is more than a hotel; it is a sanctuary of romance, elegance, and alpine luxury, where every moment is designed to be extraordinary.

By the pool

The most iconic location at Chalet al Foss can accommodate up to 50 guests, offering an intimate and exclusive setting for your special celebration.

Located on the first floor of the resort within the wellness area, it is the perfect backdrop for simple, elegant, and refined ceremonies, where every detail is designed to enchant. Framed by the breathtaking Presanella Glacier, this space makes nature the undisputed protagonist of your unforgettable moment.

Romantic Garden

A secluded garden for intimate moments and meaningful celebrations.

Nestled within the resort's wellness area on the first floor, this hidden garden offers a peaceful and refined setting where nature, elegance and simplicity meet. Designed for intimate ceremonies in a relaxed boho-chic atmosphere, it welcomes up to 30 guests for symbolic celebrations surrounded by serenity and beauty.

For truly private occasions, the space can also host an exclusive wedding lunch or dinner for up to 10 guests, creating a memorable experience in an atmosphere of quiet luxury.

Treehouse Ceremony

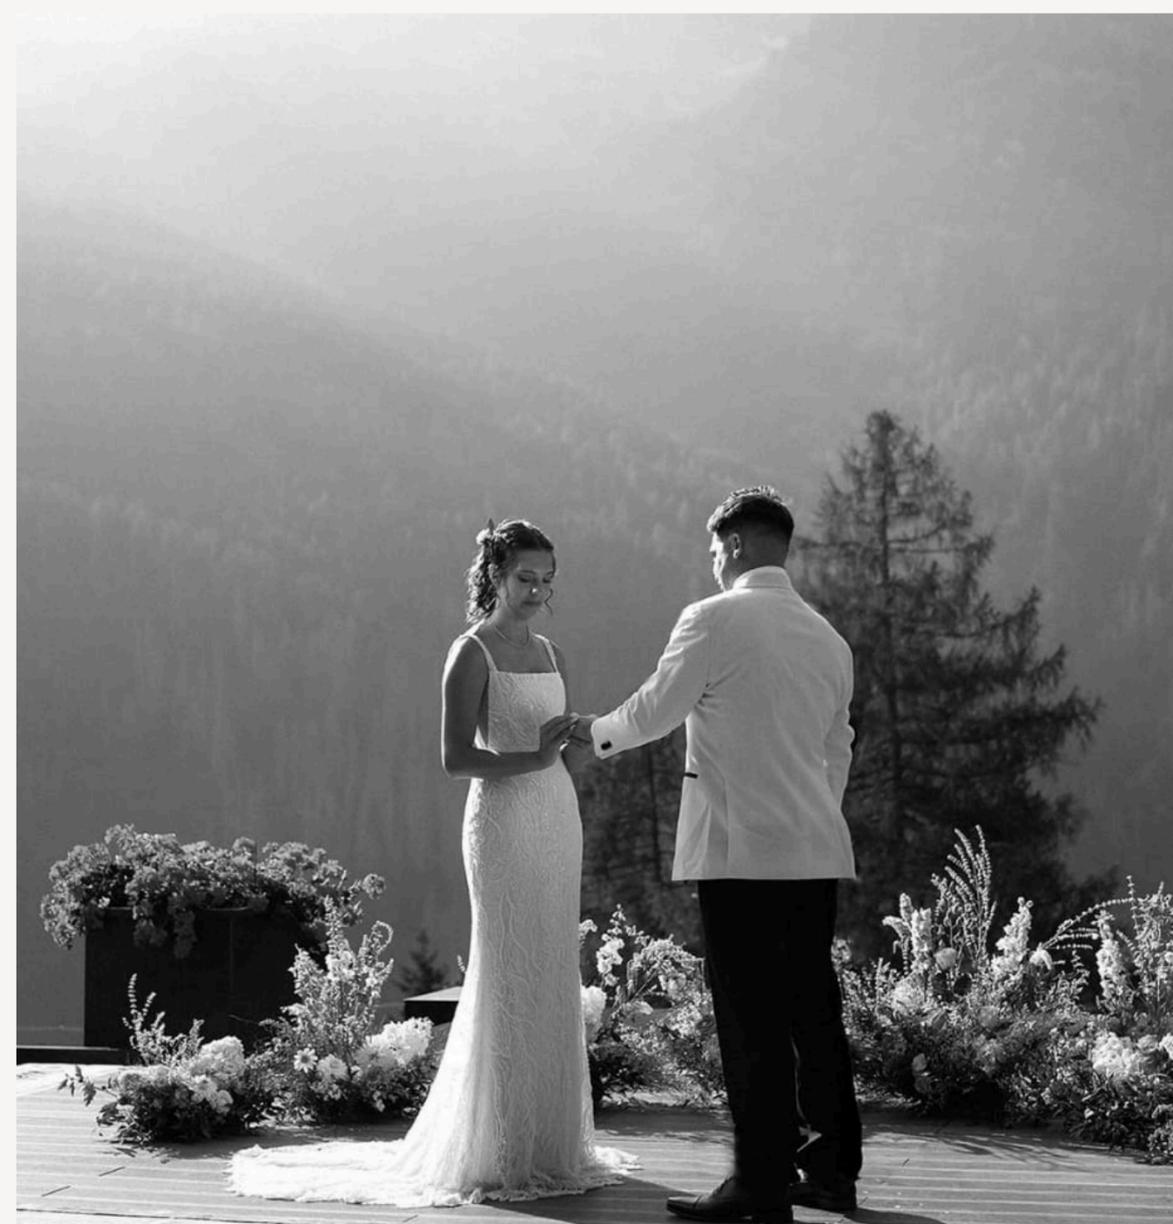

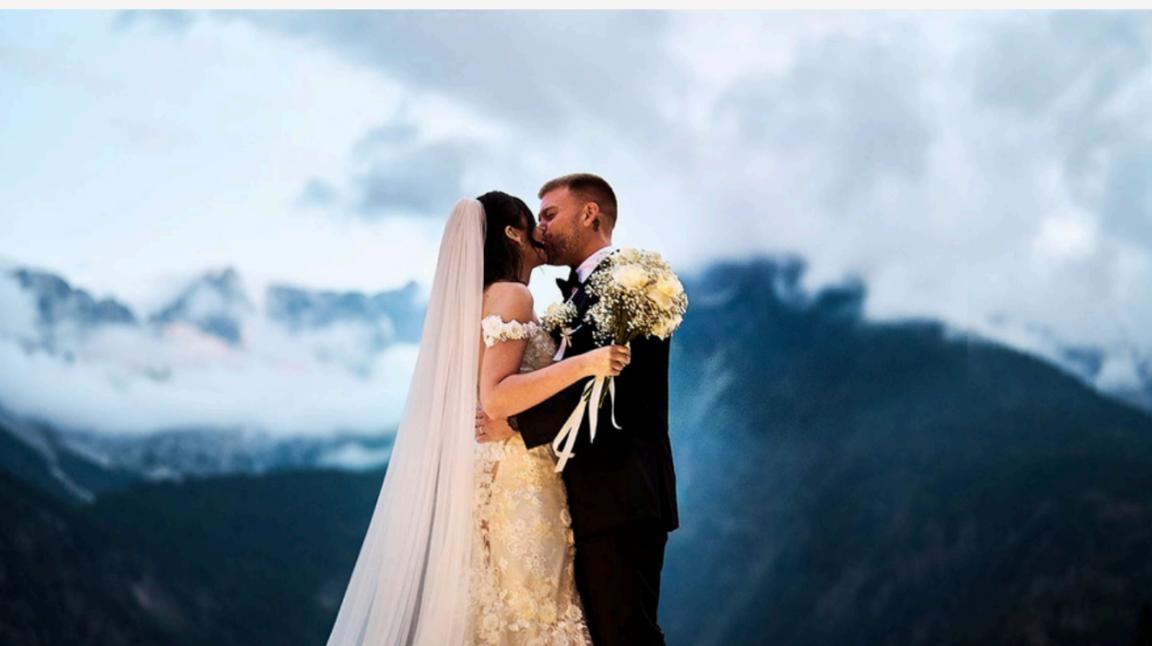

Ideal for the most intimate and unforgettable celebrations.

Suspended among the trees and surrounded by nature, this charming wooden treehouse offers a truly unique setting for a symbolic ceremony. Reached by a short five-minute walk along a scenic mountain path, it creates a sense of privacy, wonder and connection with the landscape.

Perfect for intimate ceremonies with up to four guests, the treehouse can also host an exclusive wedding lunch or dinner for two, offering a magical experience high among the treetops.
